
METHOW VALLEY · OKANOGAN COUNTY

North Cascades Animal Refuge

A door instead of the road.

Local businesses can help open a staffed animal intake door for the Methow Valley and Okanogan County. Here's how to partner with us.

BUSINESS PARTNER KIT · 2026-2027

\$500K

Campaign goal

\$500,000 by December 31, 2027

WHO WE ARE

Okanogan County has no public shelter.

When a dog or cat is abandoned here, there is no public door to bring it to. So too often, the road is the door. We're building a door instead.

THE NONPROFIT

Indigo Unlimited

501(c)(3) public charity
EIN 99-3699154

THE INITIATIVE

North Cascades Animal Refuge

A program of Indigo Unlimited, not
a separate nonprofit

THE GOAL

A staffed intake door

For the Methow Valley & Okanogan
County

What we're opening

A small, local, staffed intake site for dumped and homeless animals in the lower Methow and greater Okanogan County. Dogs and cats are dumped on Forest Service roads, in orchards, and along Highway 153. Neighbors who find one have few good options.

- ◆ **Short holds:** a safe place to land, get checked, and rest
- ◆ **Real fosters:** animals move on to local foster homes
- ◆ **Clinic days:** vaccines and spay/neuter with partners
- ◆ **Staffed hours:** so surrender isn't a locked gate

"We do not replace them. We give them a floor."

THE INTAKE FUND

Methow Valley Animal Intake Fund

Online gifts go through Cheddar Up under the name "Methow Valley Animal Intake Fund." It's the same nonprofit: Indigo Unlimited.

Gifts go toward opening and running the local intake site: pens and isolation, the first vet week, and staffed hours. We raise the conversion funds ourselves, and donations stay local.

IN-KIND

Materials, labor, services

Lumber, fencing, kennel panels, contractor labor, or donated veterinary services all help build and run the site.

We send a written acknowledgment describing what you gave.

Or sponsor at a level

Cash gifts, matching sponsorships, and in-kind gifts can all count toward a sponsorship level, paid at once or pledged over 2026–2027. Levels and recognition are on the next page.
